## Subject: Expression of Interest for Multilateral Collaboration – Tourism Year 2082

Dear Mr. Baral,

Greetings from **Vidya Vihar Institute of Technology (VVIT), Purnea**, in association with **Sub Himalayan Research Institute (SHRI)** and **INTACH – Purnea Chapter**.

We are delighted by the constructive participation and meaningful discussions held during the **India-Nepal Partnership Summit 2025**, hosted at VVIT on **22nd April 2025**, and jointly supported by SHRI and India-Nepal Centre, PHDCCI. The summit highlighted shared regional interests in heritage, culture, sustainable development, and people-to-people exchange between India and Nepal.

In light of the upcoming **Koshi Province Tourism Year 2082**, we express our collective intent to establish a formal collaboration among **VVIT, SHRI, INTACH Purnea Chapter**, and the **Regional & Cultural Council, Koshi Province**. We aim to work together across the following domains:

### Proposed Areas of Collaboration:

- **Heritage Mapping & Documentation:** Joint research, preservation, and digital archiving of shared cultural and historical heritage in the Seemanchal-Koshi belt.
- **Youth Exchange & Academic Programs:** Organizing Indo-Nepal cultural camps, student-led heritage walks, and academic field visits.
- **Tourism Promotion Initiatives:** Collaborative exhibitions, cross-border tourism circuits, and bilingual publications promoting regional landmarks.
- **Workshops & Conferences:** Co-hosting seminars and awareness programs on religious tourism, environmental conservation, and indigenous knowledge systems.
