Entrepreneurship Cell Committee (ECC) of VVIT, Purnea

The Entrepreneurship Cell Committee aims at fostering creative thinking and nurturing entrepreneurial instincts among students. The Cell hopes to achieve this by conducting workshops, competitions and interactive sessions with eminent personalities.

Mission

Our mission is to create an environment that would ignite ideas on innovation and creative thinking, cultivate an entrepreneurship culture and reach out to a larger audience in both academia and industry.

Entrepreneur cell will plan to implement following activities-

- (i) Guest lectures by entrepreneurs, and mentorship programs.
- (ii) Providing opportunities for students to gain practical experience through internships, consulting projects, or startup competitions.
- (iii) Establishment of a dedicated resource centre or library that provides access to books, research papers, and online resources related to entrepreneurship.
- (iv) Mentorship and coaching with experienced entrepreneurs or industry professionals
- (v) Offer Information about grants, scholarships, angel investors, venture capital firms, and government initiatives.
