

Training and Placement Cell (T&P Cell)

The Training and Placement Cell (T&P Cell) of our educational institution reconstituted on 25 May 2023 plays a crucial role in facilitating the transition of students from academics to the professional world. To ensure the effectiveness and adaptability of the T&P Cell in meeting the evolving needs of students and industries, an extension of the constitution is proposed. This extension aims to incorporate updated guidelines, policies, and responsibilities to enhance the functioning of the T&P Cell and maximize placement opportunities for the students.

Objectives

1. The primary objective of the Training and Placement Cell is to facilitate placements, internships, and other career development opportunities for the students.
2. The Cell shall strive to establish strong relationships with industries, organizations, and alumni to promote collaborations, internships, and industrial visits.
3. The Cell should provide guidance and counselling to students regarding career choices, interview preparation, resume building, and professional skill development.

Activities and Initiatives

- ❖ Organize and conduct placement drives, inviting reputed companies and organizations to recruit students.
- ❖ Facilitate internships, summer training programs, and industrial visits for students to gain practical exposure.
- ❖ Arrange workshops, seminars, and training sessions on resume writing, interview skills, personality development, and industry-specific knowledge.
- ❖ Create and maintain an updated database of student profiles, skill sets, and placement records.
- ❖ Collaborate with alumni associations to establish mentoring programs and facilitate alumni-industry interactions.
- ❖ Develop and update placement policies, guidelines, and ethical standards.

The following faculty members are the constitutional bodies and are responsible for following work responsibility:
